

## **Msc. STATISTICS**

### **First Year**

- 1 Stoical Quality Management
- 2 Operations Research-I
- 3 Linear model& Design of Experiments
- 4 Statistical Inference-I
- 5 Real Analysis
- 6 Probability Theory

### **Second Year**

- 1 Distribution Theory
- 2 Operation Research-II
- 3 Linear Algebra
- 4 Statistical Inference
- 5 Multivariate Analysis
- 6 Sample survey & Statistical For Normal Development
