

**ME – Civil
(Transportation Engineering)**

Semester I

1	Statistical Methods in Transportation Engineering	100
2	Highway Materials	100
3	Highway Material Testing Laboratory	100
4	Computer Aided Traffic studies Lab	100

Semester II

1	Urban Mass Transportation System	100
2	Transportation Planning	100
3	Pavement Analysis, Design and Construction	100
4	Transportation Planning Lab	100

Semester III

1	Pavement Maintenance and Management System	100
2	Transportation System Analysis	100
3	Seminar	100
4	Project	100

Semester IV

1	Dissertation Stage	100
