ME – Civil (Transportation Engineering)

Semester I

| | Statistical Methods in Transportation Engineering Highway Materials Highway Material Testing Laboratory Computer Aided Traffic studies Lab | 100 100 100 100 |
|--------------|---|--------------------------|
| Semester II | | |
| 1 | Urban Mass Transportation System | 100 |
| 2 | Transportation Planning | 100 |
| 2 3 | Pavement Analysis, Design and Construction | 100 |
| 4 | Transportation Planning Lab | 100 |
| Semester III | | |
| 1 | Pavement Maintenance and Management System | 100 |
| 2 3 | Transportation System Analysis | 100 |
| 3 | Seminar | 100 |
| 4 | Project | 100 |
| Semester IV | | |
| 1 | Dissertation Stage | 100 |
