

DIPLOMA IN MOBILE REPAIRING (1 Year)

DMB	101	Study of Different Component
DMB	102	Circuit tracing. Tracing of Components
DMB	103	Identification and Location of Critical Components Fault Simulation
DMB	104	Diagnosis & Troubleshooting on Component Level
DMB	105	Computer Fundamentals
DMB	106	Study of controlled systems & storage devices
DMB	107	Comparison with mobile phone Logic architecture.
DMB	108	Identification of various platforms
