

MSC – Zoology

First Year

- 1 Functional Morphology of Invertebrates and Chordates,
- 2 Cell & Molecular Biology & Biophysics
- 3 Advanced Genetics, Basic Concepts of Microbiology & Immunology
- 4 Bio Statistics & Computer Applications
- 5 Environmental Science & Developmental Biology
- 6 Practical -I

Second Year

- 1 Biochemistry & Molecular Biology
- 2 Basic Concepts Of Bio-technology,
- 3 Evolution & Taxonomy
- 4 Animal Physiology
- 5 Cell Biology
- 6 Practical- II
