

## **ME – Production Engineering**

### **Semester I**

1	Machining Science –I
2	Machining Science – II
3	Metal Forming
4	Metrology and Computer Aided Inspection
5	Manufacturing Lab

### **Semester II**

1	Advanced Optimization Techniques
2	Mechatronics
3	Machine Tool Design
4	Computer Integrated manufacturing Systems
5	CAM Lab

### **Semester III**

1	Elective I
2	Elective II
3	Seminar
4	Dissertation - I

### **Semester IV**

1	Dissertation – II
