ME (Structural Engineering)

Semester I

1	Computer Programming & Graphics
2	Advanced Analysis of Structures
3	Design of Concrete Structures

Semester II

1	Design of Steel Structures
2	Structural Dynamics
3	Numerical Methods & Analysis

Semester III

1	Finite Element Methods
2	Elective-I
3	Seminar

Semester IV

1	Bridge Engineering
2	Elective-II
3	Project
4	Dissertation
